FEDERAL HOS- PITALS FOR CON- SUMPTIVES

At the instance of the Southwestern Conference on Tuberculosis and the Texas Public Health Association a bill has been introduced in the United States Senate by Senator John F. Shanroth of Colorado and in the House of Representatives by Hon. Oscar Callaway of Comanche, Texas, providing for the establishment of Federal hospitals for the care of indigent consumptives.

These hospitals are designed to care for the people from northern and eastern states who come to the west and southwest seeking health or a longer lease of life. Many of these people become public charges in a short time after their arrival and go from city to city seeking work or a free hospital.

It is believed that they spread their disease as they move from place to place, and are responsible for an increase of tuberculosis in the nativeborn population.

The Shafroth Callaway bill contemplates the establishment and maintenance of hospitals under and regulations designed to prevent an increase of the number of patients coming into the southwestern states.

The need of such hospitals has been apparent for years. The states and cities of the southwest have been unable to care for these people and the communities from which they come have done nothing for them. There is no agency other than the Federal government to provide for them.

The bill contemplates the expenditure of \$250,000 for the re-

pair and reconstruction of existing buildings and the construction of new buildings on military or other reservations in the Southwest and \$50,000 for maintenance of patients during the first of the year.

Rexall Dyspepsia Tablets

are, we honestly believe, the best remedy made for indigestion, Dyspepsia and all other Stomach Ills

We Know They're Good

Rexall Dyspepsia Tablets, in addition to other ingredients, contain Pepsin and Bismuth, two great digestive aids used by the entire medical profession. They soothe the inflamed stomach, check the heartburn and distress, stimulate a healthy secretion of the gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich red blood, and thereby into flesh, bone and muscle. They relieve stomach distress promptly, and, used regularly for a short time, tend to restore the stomach to a comfortable, easy-acting, healthy state. They aid greatly to promote regular bowel action.

Delays Are Dangerous

Don't neglect indigestion, for it frequently leads to all sorts of ills and complications. The pain and discomfort is not the most unfortunate part. The fact that when the stomach is not acting right, the material needed to repair the wastes that are constantly taking place in the body is not being given to the blood either in the proper condition or fast enough is far more serious. Nothing will cause more trouble than an unhealthy stomach. The blues, debility, lack of strength and energy, constipation, biliousness, headaches and scores of other serious ailments result from the failure of the stomach to properly do its work.

You Risk No Money

Our willingness to have you use Rexall Dyspepsia Tablets entirely at our risk proves our faith in them. We always sell them this way, and it is because we know that they have greatly benefited scores of sufferers to whom we have sold them. There's no red tape about our guarantee. It means just what it says. We'll ask you no questions. You needn't sign anything. Your word is enough for us. We know that when they help you you will consider it money well spent even if they had cost you ten times as much. If they don't help you, the money you paid for them is yours, and we want you to have it.
